

## *INDUSTRIAL BASEBOARD STRIPPER*

### *description:*

A concentrated heavy duty cleaning formulation designed to remove floor finish, wax and soil build-up from baseboards, floor edges, corners and other difficult to reach areas.

### *features and benefits:*

- Non-Butyl Formula                      No harsh solvent odor.
- Convenient                                Ready-to-use with a push of a button. No mixing or diluting required.
- Clear Gel Formula                      Clear gel “clings” to vertical surface and offers “see thru”.
- “Fan” pattern spray nozzle            Applies product evenly to surface area.
- Low odor                                    Great for supermarkets, hospitals and nursing homes.
- Rinses Easily                              Rinses completely with water.

### *target markets:*

Specifically designed to use on baseboards, floor edges, corners, and other hard to reach areas in nursing homes, hospitals, institutions, offices, schools, motels, hotels, etc.

9175-0397

***demonstration tips:***

Shake can well. Hold can 6"- 8" from surface. Spray while holding can in inverted position. Point out the clinging capability of the clear gel formula. Note the "see thru" ability and low odor of the product. Scrub with an abrasive pad or brush and rinse thoroughly.
