PRODUCT DESCRIPTION:

Water Based Stainless Steel Cleaner is a unique water-based formula designed to clean, polish and protect stainless steel, chrome, aluminum and any other washable hard surface. Removes smudges, spills, stains and fingerprints without leaving a greasy residue. Leaves a protective coating that resists resoiling and repels water. Helps prevent rusting, corrosion and discoloration. Buffs to a high gloss finish.

FEATURES:

User Friendly:

Water-based formula. Contains no phosphates or abrasives.

Versatility:

Cleans, polishes and protects in one step. Polishes to a satin lustre finish.

Protective Film:

A tough durable film that resists smudges, fingerprints, spills, stains and water marks.

USDA rated C1:

Authorized by USDA for use in federally inspected meat and poultry plants.
